Subject: Testimony re: SB 16

Dear Co-Chair Winfield, Co-Chair Stafstrom, Vice Chair Flexer, Vice Chair Blumenthal, Ranking Member Kissel, Ranking Member Fishbein, and all members of the Judiciary Committee:

Please do not pass the SB 16. While I appreciate Governor Lamont wanting to get tough on crime, I cannot support the rest of this bill that infringes on my Second Amendment Rights in so many ways, especially considering that honest law-abiding citizens will be subject to felonies and restricted in their ability to defend themselves. Further limiting the means of self defense in no way improves the safety of our communities.

I strongly urge the Judiciary and the Department of Emergency Services to focus it's time, energy and taxpayer funding on improvement of enforcement actions of the laws that currently exist, which will have a dramatic and lasting effect on improved public safety.

I ask that you REJECT H.B. No. 5416.

Please SUPPORT the following bills: S.B. No. 388, H.B. No. 5415 and H.B. No. 5412

Sincerely,

Paul Fenick
